If your yard doesn't have a steward(s) yet, please contact J Burger at the number below. Each yard should have at least one steward. Interested drivers are required to get petition signatures from their co-workers supporting them as a steward, sign the UE Steward Pledge and agree to be trained.

You must be a union member to make nominations, run for office, and vote for officers.

If you haven't signed a membership card yet, please call (312) 829-8300 and request one today. You can sign the card and give it to your steward. You can also text or email a picture of your card, or mail a card to:

Pay Problems

- A lot of drivers haven't gotten the pay that they are entitled to under our new union contract. The union filed a national grievance for the members that haven't gotten their raises, bonuses, shift differentials, cell phone pay, etc. If you haven't gotten the correct pay yet, please send an email explaining what is incorrect in your paycheck to hrgroup@hallcon.com and uerailcrewhallcon@gmail.com.
- Not sure how to check your paystubs? Go to www.dayforcehcm.com. If you've never used Dayforce before, your user name is `firstname.lastname` (i.e. `tara.mccauley`), and your password is the full year you were born (all 4 numbers) and the last 4 digits of your social security number.
