Halcon Drivers Contract Vote

UE received a Last Best and Final Offer from Halcon for drivers added to the UE Master Contract in the states of Wisconsin, Illinois, Indiana, Oklahoma, Louisiana, Texas, New Mexico, Tennessee, Colorado.

With the support the membership, the UE Union Bargaining committee pushed the Company hard to give every last penny we could get from them. We are recommending a Yes Vote. This is about **your** money, please come, get the updates, and vote on your wage increases. For more information on meetings, call: **(773) 675-7933**
