

PTI Drivers Speak Out: We're Voting UE Yes!

Drivers Deserve Higher Wages and Better Hours!

"Since PTI has taken over the board has been chaos, there's no fair rotation, drivers are barely getting hours, and we've already lost out on a lot of money. With our UE contract at Hallcon you went back to the top of the board if your trip was less than 4 hours, at PTI its only 2. I'm voting for UE because drivers deserve more than minimum wage for this job and we deserve a contract that guarantees hours!" **Lela Jankowski, Driver, Dunsmuir CA**

"I'm voting for UE because we need UE to protect our jobs and secure our wages." **Jeremy Jones, Driver, Dunsmuir CA**

I'm a driver in the Bay Area and there are 8 reasons I'm voting for UE !

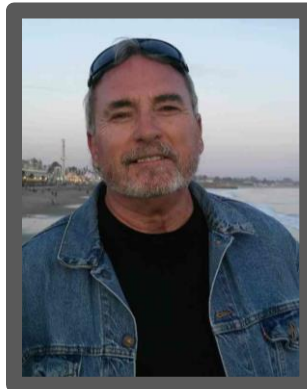

- 1) Job protection
- 2) Representation for our rights
- 3) Bereavement Pay
- 4) The option to take a lunch break
- 5) Guaranteed yearly pay raises
- 6) Sick pay
- 7) Maintaining safety for drivers at all times
- 8) Safety accommodations needed by drivers and all essential workers.
