

WE NEED PEOPLE IN WASHINGTON WHO TAKE CONCRETE ACTIONS TO DEFEND WORKING PEOPLE

RON DINICOLA

When General Electric chose to attack UE Locals 506 and 618 by transferring work from the Erie facility to foreign countries it was **Ron DiNicola** who stepped in and fought the federal government to make sure displaced workers got the TAA/TRA benefits they deserved.

Now DiNicola is running for Congress to fight for working people in Washington, DC.

BOB CASEY

U.S. Senator **Bob Casey** was instrumental in obtaining an emergency grant of \$751,000 to assist the over 1500 workers General Electric displaced in 2016.
